Job description

Experienced primary school teacher, fluent in English, you will teach several levels (from CE1 to CM2) in English in two classes, each with 18 to 20 pupils (one in the morning and the other in the afternoon).

You will supervise break time and homework time done in school.

You will work in direct collaboration with other members of teaching staff notably by using the computer system.

You will identify teaching objectives for each pupil with our team and establish a distinct course to attain these objectives.

You will establish a strong, constructive relationship with the pupils, their families and other members of teaching and non teaching staff in the school.

You will participate in the development of bilingualism in school by your transmission of knowledge, open mind and resourcefulness.

Required skills - essential

- English-French bilingual
- Adapting the learning experience according to pupil difficulties - *essential*
- Collecting information and preparing lessons in session (preparation sheet, teaching method)
- Defining learning objectives and establishing a teaching program and activities
- Developing a teaching approach and teaching basic subjects (French, maths, science,)
- Informing families, teaching staff about teaching methods, results, difficulties or pupils' behaviour
- Foreign language - English
- Evaluating pupils' progress
- Organising the teaching space in the classroom
- Ministry of Education curriculum
- Supervising pupils' behaviour and monitoring their respect of school rules and security instructions
- Supervising pupils between classes and during extracurricular activities, lunchtimes and breaks.
